Due to the many changes in policies, it is no longer an easy task to interpret each individual policy. Although we try to stay aware of these changes, it is not always possible.

Therefore, we urge you as the patient to please check with your insurance company prior to procedures being performed. It is your responsibility to know your coverage. Failing to comply with this suggestion could result in you, the patient, being responsible for all costs incurred.

Please remember your insurance policy is between you and your insurance company and NOT with the insurance company and your doctor

If you have insurance or do not have insurance and are a self pay patient, you are responsible for all fees rendered on the date of service.
